

Symposium invitation

Material research and sustainable society

IN COOPERATION BETWEEN TUL AND KIT (JAPAN)
7. 6. 2023 10:00 - 15:00 INTERNATIONAL SYMPOSIUM,
LIBEREC, CZECH REPUBLIC

It is our great pleasure to invite you to participate in the International Symposium **Material Research and Sustainable Society 2023**, which will be held on June 7, 2023. The symposium is organized by the **Technical University of Liberec**, Czech Republic in collaboration with **Kyoto Institute of Technology**, Japan.

The Symposium Material Research and Sustainable Society 2023 provides an opportunity to present new scientific findings in the field of textile materials research with a significant focus on contemporary challenges such as sustainable development. It is designed for academics, researchers, students and practitioners as a platform for exchange of ideas, information, new perspectives in the field of textile materials and products containing fibre structures.

Authors are invited to submit a paper of four to six pages to be published in the symposium proceedings after positive review. The form of presentation will be oral and in the form of a poster.

Below are key dates related to registration, submission of papers:

Short abstract max. 1000 sign:	30 May 2023
Closing date for author registration and submission of papers:	2 June 2023
Information on acceptance of papers and presentation format:	3 June 2023
